

Kid LEADERS' guide

THIS Week...

This week we're talking about learning how to be patient.

TODAY'S BIBLE VERSES: 1 John 3:1, Hebrews 13:16, Galatians 5:22-23

KEY WORDS: patience

BEFORE today's lesson:

- Make sure you have all the materials you need for the 'Welcome Zone' and 'Fun Zone' activities.
- Gather together all the required ingredients for 'Grub Zone'.
- Have enough *Kidzone* magazines for every child!
- Print off the 'Beyond the Zone' card.

WELCOME ZONE^{kz}

(5-7 mins)

GRUB ZONE^{kz}

(5-7 mins)

FUN ZONE^{kz}

(12-14 mins)

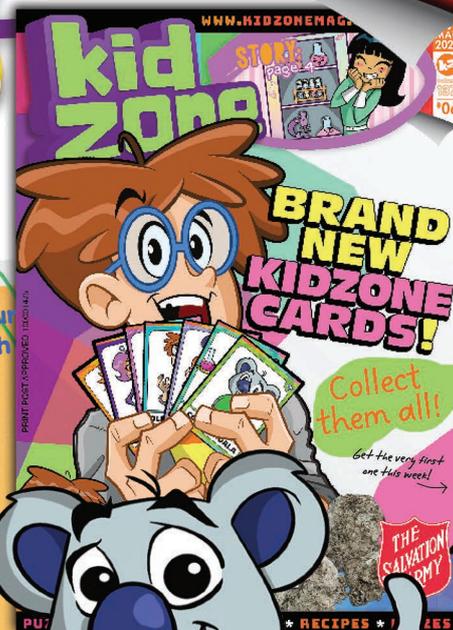

GOD ZONE^{kz}

(5 mins)

💡 When preparing your program, consider each of the 'zones' and how they will best work in your context.

You may like to mix up the order in which you do the 'zones'. You will, however, need to remember the 'Welcome Zone' needs to start the session, the 'Zone In' section needs to follow the 'God Zone', and the 'Beyond the Zone' happens at home.

🕒 **HAVE** a collecting race.

This could be as simple as spreading LEGO blocks on the floor and assigning each child with a colour to collect to see who can collect the most in 2 minutes.

🍰 **MAKE** Cheffy's edible rocks on **page 10**.

You will need access to a microwave for this recipe. If you don't have access to a kitchen, consider making them before class. They will look like real rocks, so for fun place them on a table to see if your class is fooled by them before you tell them they are yummy to eat!

For a super simple edible rock recipe to make in class, there are no cook rock recipes available, such as: lovingcreations4u.blogspot.com/2021/03/two-ingredient-edible-rocks.html

📖 **READ** the story on **pages 4 and 5**.

📄 **TURN** to **page 15** and introduce the children to our first Kidzone collector card.

Cut it out.

✂️ **MAKE** Oliver's KZ collector folder on **pages 8-9**.

You can streamline the process by having the cardboard pre-cut or ruled to size for the children to cut them out.

📖 **READ** the message on **PAGE 9**.

An alternative craft could be to start a favourite Bible verse collection. For this you will need notebooks, paper and coloured pencils or felt-tipped pens. The children could choose a verse to write into the book and illustrate it, keeping the book to add in verses in the future.

📖 **READ** out Samuel's mega Bible puzzle on **page 14**.

ZONEIN^{kz}

(5 mins)

DO Samuel's word search (or puzzles on [page 16](#) or colouring competition on [page 13](#)).

CHAT about some things we find hard to be patient about.

Do you find it hard to wait for birthdays, Christmas day, to be big enough to play basketball or netball etc.? Is it hard to be patient while mum or dad are at the shops or doing jobs around the house when you want to do something? Is it hard to wait for your turn in a game? What does it mean to be patient? How do you practise patience?

TALK about some Bible characters who were patient: Moses led the Israelites through 40 years in the wilderness; Abraham and Sarah were promised a son by God, but waited 25 years until he was born; David knew he was anointed by God to be the king of Israel, but he waited about 15 years before that happened; God promised Simeon and Anna that they would see the promised Messiah, but it wasn't until they were very old that they met the baby Jesus at the temple.

GIVE OUT the 'Beyond the Zone' cards and read through the activities.
